BAILEY MONUMENT & VAULT CO.

Proudly serving families since 1908

To earn the rank of Eagle is a personal achievement you should be very proud of. The service and leadership you have provided to your troop will only be equaled with great effort. We at Bailey Monument Company are proud to help commemorate the value you have added to your community by providing a stone marker carved with your name to be left at the site of your Eagle Project. This marker will remind the reader that scouting made a difference, not only in the scouter's life but on our society.

To make this happen, please complete the form below and turn it in to your council office. Your council will forward the information to Bailey Monument Co. and we will make the stone. You will be contacted when the stone is ready to pick up. There will be no cost to you but you will be responsible to pick up the stone from one of our offices, to obtain permission from the property owner where it will be installed and to physically set the stone.

Congratulations,

Keith E. Hawthorne
President
