SOUTH GEORGIA COUNCIL

Program

Campmaster

The Campmaster program will focus on providing off-season programs to units camping at both South Georgia Council Camps. Campmaster Corps is a group of trained and registered Scouters who serve at council weekend camps. Campmasters select their own time and frequency of service, but usually serve two to four times a year.

Three areas of focus will be part of the program:

- 1. Weekend Warriors:** Weekend Warriors are volunteers who assume responsibility for one of the council camps during the off-season when units or outside groups are utilizing the property. These volunteers assist the camp staff and rangers by serving as camp hosts capable of answering questions, providing leadership during emergencies, and enforcing camp rules. This program will be limited to adults who are over 21 years of age.
- 2. Specialty Weekends:** These exciting weekends will be led by skilled experts from around the council and will be aimed at exposing units to new or advanced outdoor skills such as shooting sports, wilderness first aid, advanced cooking techniques, or even wilderness survival.
- 3. New Troop Weekends:** Newly recruited units often lack the proper gear and trained leadership to host their first camp outing. The campmaster corps will supply veteran Scouters who will utilize available resources to provide these new units with a positive outdoor experience. During the weekend, both youth and adults will learn about the methods of Scouting and gain a better understanding of how to implement their own successful outings in the future.

If you have questions, please contact Tim McRae at (229) 339-1412 or email him at timmcrae@att.net.
