

# 2019 Camp Patten Service Day

Saturday, September 14, 2019

Grab your work gloves and tools and make plans to join us on **Saturday, September 14** for a day to help prepare Camp Patten for another busy Scout year! Lunch will be provided so an accurate count is a must.

There are many things each year that need to be done to ensure that we have a safe and enjoyable place for our Scouts and families to gather and have fun. Some items are routine maintenance, others are special projects to preserve and improve our camp for generations to come.

Since camp is just like each of our homes, always more to do than you have the time or resources to do, we are asking for units or individuals to adopt a project.

Listed on the next pages is the current project list. To adopt a project return the bottom to the Council Service Center.

---

## 2019 Camp Patten Workday

Unit type and number: \_\_\_\_\_

*Count on us to attend the Camp Patten workday and to help make Camp ready for another great program year!*

We expect to bring \_\_\_\_\_ people.

We want to adopt project # \_\_\_\_\_  
(*You will be contacted prior to the workday regarding the project.*)

Our second choice is project # \_\_\_\_\_

Our third choice is project # \_\_\_\_\_

*The busy fall season is almost here, and we all need to pull together to make camp ready for another great camping season. There are many projects that need to be done and we are asking your unit to adopt a project and come ready with the manpower and materials necessary to see the project through to completion.*

1. Ensure that camp is fully mowed. Grass-cutting / Bush-hogging tractors needed.
2. Clear Amphitheater Area of limbs, ants, weeds, and temporary screens. Need weed and ant killer. Inspect each bench and repair.
3. Clear brush around pond, and trim banks of all growth down to the water line around dock and across dam. Need many trimmers. Remove all trees growing on dam.
4. Thoroughly clean all restroom/shower facilities (Copeland Center, Shower House, and Pavilion). Cleaning materials needed.
5. Trash pickup/grounds maintenance. Assorted debris around camp. Trash bags needed. Remove downed trees along fence. Many limbs down in camp due to May storms.
6. Clean undergrowth around base of trees around camp where tractor cannot cut. Chainsaw, loppers, and trimmers needed. Especially along front of camp and under Oaks.
7. Trim along complete fence line avoiding planted trees and bushes. Weed eaters or round up needed for this project.
8. Continue project of plant trees along front fence
9. Clean Windows/Remove Door Scuffs in Copeland Center
10. Clean Blinds in Copeland Center
11. Inspect dock and treat with water seal, repair boards that are pulling up
12. Trim lakeside campfire ring
13. Clean/trim around exterior of Vulcan Pavilion
14. Clean doors of Vulcan Pavilion
15. Inspect items in Pantry in Vulcan Pavilion/Clean Kitchen
16. Clean upstairs bathroom/Bunkroom in Bunkhouse
17. Open Webelos Area Campsites and along river
18. Clean/mow/trim chapel, remove down limbs.
19. Clean campsite latrines
20. Clean Rifle & Shotgun Range berm of growth

21. Clean each sign in camp
22. Wax/buff the floor in the Copeland Center.
23. Install PVC piping along Cubmobile guardrail
24. Repair/Replace broken items on bathroom stalls in shower house.
25. Organize maintenance barn, remove unnecessary items. Replace light bulbs.
26. Clean/Inspect each cabin and cabin restrooms, replace shower curtains as needed.
27. Cut back tree limbs over roads all over camp.
28. Repair broken picnic tables (mostly braces, some seats).
29. Paint picnic tables with brown exterior coating (match new brown signs).
30. Split and stack firewood at maintenance shed.

General yard tools needed for most projects including weed eaters, trimmers, loppers, saws, rakes, chemical sprayers, etc.

There is also a need for larger equipment including tractors with grass cutting and/or bush hogging capability and chainsaws, trucks and trailers to haul off some items are also helpful.
